On June 22, 2004, Rosalina Marie Tudela Gabutin was sentenced by the Honorable Alex R. Munson, for Bank Fraud, in violation of 18 U.S.C. § 1344. She was ordered to serve 16 months imprisonment followed by 60 months of supervised release with conditions that she not incur new credit charges or open additional lines of credit without approval of the U.S. Probation Office; provide the U.S. Probation Office access to any requested financial information; refrain from the use of any and all alcoholic beverages; participate in substance abuse treatment and testing; participate in a mental health treatment program; perform 400 hours of community service; inform any future employer of her conviction; pay \$55,482.94 restitution; and pay a \$100 special assessment fee. Mrs. Gabutin was released to the District of Guam from federal custody on September 7, 2005. Jurisdiction of the case remains with the District Court of the Northern Marianas Islands.

On January 30, 2007, Mrs. Gabutin submitted a travel request to the Probation Office asking that she be authorized to visit Saipan from February 15, 2007 to February 19, 2007. Mrs. Gabutin related that the trip is necessary to make arrangements for her home in Dandan to be rented. She stated that all rental income generated from the residence will be remitted to the U.S. District Court towards her outstanding restitution order. In addition, Mrs. Gabutin related that she will also retrieve her U.S. Passport from the District Court. While in Saipan, she will reside with her sister, Dorothy T. Seman, in Dandan.

Mrs. Gabutin maintains employment as an Assistant Manager for Curves Fitness in Agat, Guam. She has an outstanding restitution balance of \$48,200.70 and her ability to pay is being re-assessed by the Probation Office. Ms. Gabutin is not current with her community service order and is claiming medical issues that are being verified by the Probation Office. She has a balance of approximately 392 hours. Ms. Gabutin maintains compliance with her drug and mental health treatment program. She is tentatively scheduled to successfully complete all treatment program requirements on May 15, 2007.
